

# GEORGE'S FAMILY

HE WHO BEGAN A GOOD WORK IN YOU WILL CARRY IT ON TO COMPLETION UNTIL THE DAY OF CHRIST JESUS. **PHILIPPIANS 1:6**

## Serving God at all time

If we were to chose one testimony that best testify to God's power and unmeasurable grace, that would be George's testimony, our own missionary in *Poarta Alba*, in *Nazarcea (Galeșu)* and *Orașul Nou*, which are our Churches mission fields in Constanta County. He was born in a pour family that didn't know the Lord. He ran away from home when he was just a kid and lived on the streets. When he was a young man he worked in a carwash,

while still living on the streets. It was there that someone from our Church shared the Gospel to him and soon he became a christian. A family from our Church adopted him and further taught him the way of the Lord.

Time has passed and George felt God leading him to serve as a missionary. He married Ana-Maria and moved to *Nazarcea (Galeșu)*, where the Church was hoping to plant a Church. God

blessed their ministry, so that 6 years later the mission grew from a family to 28 baptised members, not counting the children and the visiting friends. The mission grew from one mission filed to three and even a mission abroad, in *Moldavia*. God has blessed the Church with various ministries, such as a praise and worship group that is there to help to pretty much every evangelism service in the County, a children ministry and much more.

# George and his family is going through a big trial due to his son's medical condition

God has also blessed George's family with two beautiful children, a boy called Emanuel, who is now 4 and a half, and a little girl, Miriam, who is only 7 months. His family though is going through a big trial. Emanuel, their oldest son, has been diagnosed with *Leber Congenital Amaurosis* (LCA) due to a double genetical mutation. This is a very rare condition that leads to blindness. The good news is that there is a cure for this, if intervened fast. Moreover, a clinic in the US offered to take the case. The overall costs though reach \$15.000. It may seem like a big amount for us but it's not that much for our heavenly Father.

Our Church is actively involved in supporting George and his family, spiritually, financially, and raising support. If you feel God's leading you to support George and his family, and thus the ministry in Constanta, Romania, you can send your gift to the following accounts, with the mention: **for George**.
